

THE NATIONAL COMMITTEE NEEDS YOU

Have you ever thought you would like to be more involved in the Association?

Do you know someone who could make a positive contribution to the Association?

If you answered YES to either of these questions then it's time to act.

The AGM will be held in Nuriootpa, South Australia, on the 12th to 15th March, 2021 and it's the time to call for **Nominations for Positions on the National Committee.**

For people to hold positions on the National Committee they **have to be NOMINATED by two financial members and endorsed by the Nominee.**

This is an opportunity to see new ideas and new faces on the Committee, so nominations for all positions are encouraged. If you wish to be a committee member yourself, you can let other members know and they may wish to nominate you.

There are two nomination forms on the website that should be returned by the **15th January 2021.** This may sound a long way off it but comes around very quickly during the festive season. So, you don't really have much time to nominate someone and have them accept.

If you need additional forms just print them off the website. If this is difficult for you, your Area Rep can send out extras. Please think carefully about whom you nominate as these positions are important for the effective running of the Association.

All National Committee positions require a level of commitment to participate in decisions, attend meetings and carry out the obligations of the particular position. As our membership is spread Australia-wide and even New Zealand, new technology such as Skype means you won't need to travel to a meeting if you don't wish. The National Committee can be drawn from all over Australia.

If you are interested in a position or someone contacts you indicating that they want you for a particular position, it would be wise to find out what it is involved before you accept the nomination. You can do this by contacting Greg O'Loughlin. We will talk to you about the job description and its duties.

The nominees will be published in the **February 2021** Edition of Wings Magazine, so you will know whom you will be voting for at the AGM.
Looking forward to receiving lots of nominations.
